Grade 6 Results**

Mathematics and Language

How are we doing?

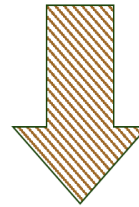

The WCED tests learners in Grades 3, 6 and 9 every year. This report provides the results of your school for the 2025 tests. The pass percentage for these tests is 50% on grade 6 curriculum items. Achieving 50% in these tests is equivalent to 'adequate achievement'.

Results	Description	Arrow
Substantial Improvement	Results increased by 10% and above	
Improvement	Results increased between 5 and 9.9%	
No Substantial Change	Results changed between -4.9 and 4.9%	
Decrease	Results decreased between 5 and 9.9%	
Substantial Decrease	Results decreased by 10% and above	
Not Applicable	No testing in previous cycle

Note to the Principal:
The 2026 WCED Systemic Testing Programme will commence on **12 October 2026**.
Principals are requested to ensure that no extra-curricular activities interfere with the scheduled testing period.
Furthermore, the success of the testing programme is dependent on accurate learner information on CEMIS. Principals are requested to ensure that information on CEMIS be kept current.
